Creating scrapbook photo albums of St. John's history What are your favorite memories and stories and pictures from St. John's? We need your pictures, memories, and memorabilia to help capture the rich history of St. John's as we organize and create scrapbooks and photo albums of our parish. Please bring COPIES of your photos, articles from newspapers, old bulletins, etc. of any events from St. John's. Label the pictures with as much information as you can provide - names, dates, event, etc. - and bring the non-returnable items to the office. Do you have a favorite story or memory of St. John's? Please write a brief description of the event, what you remember and why it was so special. Include any dates or special notations about the event. Please remember to bring only copies of items as they will not be returned and include your name and phone number with all information. We need the material as soon as possible, preferably during June and July so we can have books for the August and September celebrations. If you have questions, please call Shelly Jones at 665-7255.
