**Hope Komar
738-9286**

SPORTSMANSHIP

Many leagues have adopted youth as referees to hold down the cost of league play. Please remember that all referees are fallible and will make mistakes. While at these games players and their parents represent St. John's. With the St. John's basketball ministry we are teaching Christian values to our children through the sport of basketball. Any vocal or physical outburst toward a referee, player, coach or other spectators is contrary to church teachings and will not be tolerated. It is expected that each team begin practice and games in prayer and end games by shaking the hand of the opposing team no matter the outcome. We expect that only the coaches will communicate on behalf of the team.

SPORTSMANSHIP PLEDGE

**I have read the section on sportsmanship and agree to abide by it's terms.
